<p>16/17 year olds to be part of CTC</p>	<p>Triathlon – do we need the sports hall at Morton school or will the room at the back of the pool be sufficient. CA will check and advise ASAP as the hall is on a provisional booking.</p> <p>Following a change to the club constitution in 2015 for CTC to be for members aged 18+, DH asked that this be explored further. Discussion followed about the provision for triathletes aged 16-17 and their training. The Carlisle Juniors provide for athletes aged 8-18, however we are unsure the maximum age of children training with them. Some athletes have joined other local clubs such as Border Harriers and Keswick AC when aged 16 and 17. Currently, the club have no safeguarding policies in place. KO had contacted BTF who stated we would need the following in place to allow 16/17 year olds into the club:</p> <ul style="list-style-type: none"> <li>● Register as a junior club</li> <li>● Coaches DBS checked</li> <li>● Safeguarding policy</li> <li>● Welfare officer</li> </ul> <p>A vote was taken under the following question "should we explore allowing 16/17 year olds into Carlisle Tri Club"  Yes – 3  No - 8</p>	<p>KO to make contact with the new secretary and Chair of the junior club.</p>
<p>Cumbrian Triathlon</p>	<p>At this stage, it will not be looked at allowing 16/17 yr olds into the club, they will remain under the guidance of the Junior club. KO stated that the juniors have recently had a new committee form, it was agreed by all on the committee that links should be made with the juniors to try and encourage those aged 15 + to join in the club events as allowed in the UK Athletics and British Triathlon rules.</p> <p>KO read an email from Jeff Thorpe of tri Lakeland, he has</p>	<p>KO to propose the athlete village to JT.</p> <p>KO to ask about pool based events.</p>
